BLUESCREEK FARM MEATS
& Market!

PRODUCT APPLICATION

This application is for any local grower or producer interested in housing their product in our Plain City location. By housing your product in our location you would be responsible for stocking and rotating your product. Bluescreek Farm Meats does not own your product(s) and is not responsible for any lost, stolen or damaged product(s). Payments from the sale of your products (less our 20% housing fee) will be sent out by the 5th of each month for the previous month sales.

You understand that Bluescreek Farm Meats can discontinue housing your product at any time, for any reason. The most common reasons for product discontinuation include, but are not limited to, low sales or inconsistent product quality. If your product is discontinued you will be notified verbally and in writing. Once notified you would have one week to pick up any of your remaining products from the Plain City location, unless stated otherwise in your written notification.
